CHECKLIST TO BE COMPLETED PRIOR TO ACCEPTING PETS AS CHECKED BAGGAGE

1. Kennel

- Your dog or cat must be able to stand with head fully erect (without touching the roof), turn around, and lie down comfortably. The kennel must be made of rigid plastic with a built-in metal door. Wooden kennels and kennels with plastic doors are not permitted.
- The kennel must have two empty containers attached, or a single container with 2 compartments for food and water.
- The kennel must have a blanket, newspaper or other absorbent material on floor. Straw is prohibited.
- The kennel must have a 'Live Animal' sticker and an 'Arrow Up' sticker attached to the exterior (provided by KLM if necessary).
- The door must have a centralized locking system which fastens both locks on top and at the bottom of the door. Door hinges and locking pins must extend beyond the horizontal extrusions above and below the opening by at least 1.6 cm (0.62 in).
- The two parts of the kennel must be joined by bolts. Any other locking system may only be used in conjunction with bolts.
- Wheels must be removed or taped.

2. Age and number

- Your dog or cat must be at least 10 weeks old.
- Each pet must travel in its own kennel. However, 2 cats or 2 dogs of comparable size up to 14 kg each that are compatible or 3 animals up to six months old from the same litter up to 14 kg each, may travel in the same kennel.

3. Documents

- Pet's passport or required health certificate must be in English. We strongly recommend attaching copies of these documents to the kennel. Make sure to bring the original documents with you when you check in.
- The kennel must have a tag with the passenger's name, address, and phone number attached.
- A label must be attached to the side of the kennel stating the animal's name.

4. Physical condition

- Your pet must not appear to be physically distressed, injured or tranquilized.
- The pet may not wear a leash or muzzle, nor may these be left in the kennel.
